X-Ray No. 220-375

Chart No. 695035

History: This 21 year old army private complained of slight chest pain on very deep breathing in the middle of the chest, of one day's duration. In May of 1956, though feeling well, he had had a survey film taken. He was advised to have a large one made and this showed prominence of the right hilum.

Past History: Revealed occasional wheezing with URI's long ago and occasional hay fever.-

Physical Examination: This was normal except for a slight rib depression in the right anterior axillary line.

Laboratory: Routine hematology was normal; ESR was 19 mm.; urinalysis and stool examination were normal. Serum calcium was 10.0 mgs. %; A/G ratio was 4.54/2.14. Routine serology and heterophile agglutinins were negative. An EKG. was within normal limits. Chest x-rays showed hilar adenopathy on the right. X-Rays of the hands were normal.-

Course in the Hospital: Patient was completely afebrile. The chest pain disappeared during the first day. Histoplasmin and PPD #2 were positive.

Impression: Observation pulmonary lesion. 300-001
This work up failed to reveal the etiology of the hilar adenopathy.

Disposition: 1) Return to duty.
2) Return to the Chest clinic in 4 weeks.-
3) Obtain chest films taken in Jackson, Miss. in 1955.-

SUBJECT: Enlistment and Schooling for Army Security Agency

TO: Chief, Army Security Agency
Washington 25, D.C.

1. I, the undersigned to voluntarily request enlistment in the Regular Army for assignment to the Army Security Agency and, upon acceptance, do further request enrollment in an Army School for the purpose of pursuing a course of instruction which will qualify me for a job with the Army Security Agency. I thoroughly understand that:

a. I must attain a minimum percentile score of 31 or higher on the Armed Forces Qualification Test (AFQT).

b. Non-Prior-Service personnel, unless possessing a usable skill based on civilian qualifications, will normally be sent, following basic training, to a service or troop school for technical training; however, the individual must qualify for attendance in accordance with current school selection criteria.

c. The schooling I am finally selected for will be based upon scores I obtain on a series of Army aptitude tests to be given me.

d. In the event my test scores do not meet the prerequisites for technical training, I will be scheduled for schooling or duty in a non-technical field.

e. Personnel found to be disqualified for duty with the Army Security Agency, or not possessing normally accepted aptitude for training in an MOS required by the Agency, will be reassigned in accordance with the needs of the Army and required to complete the period for which enlisted.

f. All personnel assigned to the Army Security Agency must be cleared in accordance with SA 380-160-10. Personnel who fail to receive clearance will be reassigned outside the Agency in accordance with the needs of the Army and required to complete the period for which enlisted.

g. Continued assignment to the Army Security Agency will be contingent upon satisfactory service, maintenance of required standards, and the needs of the Agency.

2. I am qualified by previous service in MOS _____, and desire to serve in this specialty with the Army Security Agency.

PLACE OF SEPARATION (Hospital or other separation activity) WALTER REED ARMY HOSPITAL WALTER REED ARMY MEDICAL CENTER WASHINGTON DC		
<p>INSTRUCTIONS</p> <p>Each officer and enlisted person being processed for separation from active military service for any reason who has undergone prolonged hospitalization, or suffered from wounds, injury or disease while in service, is advised to apply for compensation from the Veterans Administration by completing VA Form 8-526e. Each individual who had a physical defect when he entered the service which he feels was aggravated by military service should file VA Form 8-526e. You are further advised that, if you do not apply for compensation from the Veterans Administration by completing VA Form 8-526e at the time of separation, you may do so at any time thereafter; that, if you do intend to file, it is advisable to do so before you leave the service as at that time your medical records are more easily obtainable and action by the Veterans Administration on your claim will be expedited thereby; and that filing VA Form 8-526e will in no way delay your separation. When you have read the above paragraph, place your initials at the end of this sentence. <i>Wale</i></p>

I - EXPLANATION

1. The interests of National Security require that all persons being considered for membership or retention in the Armed Forces be reliable, trustworthy, of good character, and of complete and unswerving loyalty to the United States. Accordingly, it is necessary for you to furnish information concerning your security qualifications. The answers which you give will be used in determining whether you are eligible for membership in the Armed Forces, in selection of your duty assignment, and for such other action as may be appropriate.

2. You are advised that in accordance with the Fifth Amendment of the Constitution of the United States you

cannot be compelled to furnish any statements which you may reasonably believe may lead to your prosecution for a crime. This is the only reason for which you may avail yourself of the privilege afforded by the Fifth Amendment in refusing to answer questions under Part IV below. Claiming the Fifth Amendment will not by itself constitute sufficient grounds to exempt you from military service for reasons of security. You are not required to answer any questions in this questionnaire, the answer to which might be incriminating. If you do claim the privilege granted by the Fifth Amendment in refusing to answer any question, you should make a statement to that effect after the question involved.

II - ORGANIZATIONS OF SECURITY SIGNIFICANCE

1. There is set forth below a list of names of organizations, groups, and movements, reported by the Attorney General of the United States as having significance in connection with the national security. Please examine the list carefully, and note those organizations, and organizations of similar names, with which you are familiar. Then answer the questions set forth in Part IV below.

2. Your statement concerning membership or other associations, with one or more of the organizations named may not, of itself, cause you to be ineligible for acceptance or retention in the Armed Forces.

Your age at the time of such association, circumstances, prompting it, and the extent and frequency of involvement, are all highly pertinent, and will be fully weighed. Set forth all such factors under "Remarks" below, and continue on separate attached sheets of paper if necessary.

3. If there is any doubt in your mind as to whether your name has been linked with one of the organizations named, or as to whether a particular association is "worth mentioning", make a full explanation under "Remarks".

Re Albany airtels 4/10/68 and 4/11/68, setting forth concerns who purchased Thermo-Seal marking machines, and Bureau teletype to Memphis, 4/12/68.

The FBI Laboratory advised that pillowcase and bed sheet were found in trunk of 1966 white Mustang registered to ERIC STARVO GALT, which was located at Atlanta 4/11/68. These items contain Thermo-Seal laundry tapes of approximately same size as tapes on items previously recovered, but are yellow in color and contain code, "20R-3." In opinion of Textile Marking Machine Company, Syracuse, New York, the tapes were produced by a different machine than previous tapes since the first three characters are 15 point type and the last two characters are 18 point type.

The Textile Marking Machine Company suggests the twenty in above code would be the lot number, the R may mean that this was a return of a batch of laundry, and the three is the bundle number.

MURKIN

At about 6 p.m. on 4/4/68, while standing on the second floor balcony outside Room 306 of the Lorraine Motel, 406 Mulberry Street, Memphis, Tennessee, Dr. MARTIN LUTHER KING, JR. was struck in the right side of the face by a single bullet fired from a 30-06 rifle. The bullet severed KING's spinal cord and death was almost instantaneous.

This investigation, predicated upon a specific request from the Attorney General of the United States, disclosed that the fatal shot had been fired from the bathroom of a cheap rooming house located at 422½ South Main Street, Memphis, which bathroom was located at the rear of the rooming house, and had a window overlooking the Lorraine Motel.

At about 3 p.m. on 4/4/68, an individual using the name JOHN WILLARD had rented Room 5-B in the rooming house at 422½ South Main Street and had paid one week's rent. After hearing the rifle shot at about 6 p.m. on that same day, other tenants in the rooming house observed a man presumably identical with WILLARD, fleeing from the rooming house carrying a large package which was subsequently abandoned by him on the sidewalk in front of the Canipe Amusement Co., 424 South Main Street, Memphis. A neighborhood investigation in the vicinity of 424 South Main Street disclosed that the subject had fled from the scene in a white Mustang.

Found abandoned in front of 424 South Main Street was a 30-06 Remington model 760 rifle which was determined to have been

sold to one HARVEY LOWMEYER on 3/30/68 by Aeromarine Supply Co., Birmingham, Alabama.

Investigation at Memphis disclosed that an individual had purchased a set of binoculars at the York Arms Company in Memphis on 4/4/68. These binoculars were among the material abandoned with the rifle and recovered in Memphis. Also recovered was a brown and green herringbone bedspread. The items abandoned in Memphis were all wrapped in this bedspread. The blue bag which was inside the bedspread contained numerous items, among which were the binoculars and a set of underwear consisting of a T-shirt and shorts. The T-shirt and shorts are those on which appears the laundry mark which has been a matter of interest in this case.

A search of motel records in the Memphis area disclosed that an individual using the name ERIC S. GALT had spent the night of 4/3/68 at the Rebel Motel, Memphis, Tennessee, and was driving a 1966 white Mustang bearing Alabama License 1-38993. Investigation at Birmingham disclosed that this automobile had been purchased by ERIC S. GALT on August 30, 1968, from a private person in response to a newspaper ad. He paid a total of \$1995 cash. While in Birmingham he furnished the address of 2608 South Highland Avenue, Birmingham. This is also the address which appeared on a driver's license issued to him by the State of Alabama. The driver's license identifying data listed his birth date as July 20, 1931, his height as 5'11", his weight as 170 and his eyes blue and hair brown.

The automobile in question, the white Mustang bearing the Alabama tags mentioned above, was recovered in Atlanta on 4/11/68 and determined to have been abandoned there prior to 9 a.m. on 4/5/68.

In connection with the evidence submitted by Atlanta, Birmingham, and Memphis, identifiable latent prints were recovered. It was on the basis of these latents that identification was made of JAMES EARL RAY. In handling future leads, all offices should be particularly interested in securing an identifying number, military, police, or FBI, in connection with suspects so that the necessary check can be made through the Identification Division.

On 4/17/68, AUSA R. MACEY TAYLOR, Birmingham, authorized the filing of a complaint charging ERIC STARVO GALT with a conspiracy to violate Section 241, Title 18, U. S. Code, and

ME 44-1987

recommended bond in the amount \$50,000. On that same date, SAC JOSEPH H. GAMBLE filed a complaint before USC MILDRED F. SPRAGUE, Birmingham, and warrant was issued that same date.

For further information re JAMES EARL RAY, all offices are directed to press release furnished them by the Bureau on 4/19/68.

On 4/6/68, Mr. ANGUS MC CARREN, Metro Editor, Commercial Appeal, Memphis, advised he has received information from PAUL NORMAN, 1067 S. Perkins Road, and who is a salesman of Chip Barwick Automobile Agency, which might be of value in instant case. According to MC CARREN, NORMAN told him that at approximately 2:00 PM on 4/4/65, an individual going by the name KEN SINGFIELD contacted NORMAN in an effort to obtain employment as an automobile salesman at Chip Barwick Company. NORMAN stated that SINGFIELD said he used operate either a Holiday Inn or some type of a motel in Clarksdale and also used to be an encyclopedia salesman. SINGFIELD was acquainted with BILL TIDWELL, whom NORMAN was also acquainted with, and who either operates a Howard Johnson Motel or some other motel in Clarksdale or somewhere in the Delta area.

NORMAN stated that he was reporting this information inasmuch as SINGFIELD [REDACTED]

[REDACTED] NORMAN said that SINGFIELD's description fits the description of the person that shot Dr. MARTIN LUTHER KING. According to NORMAN, SINGFIELD appeared to be nervous and expressed opposition to the policies of President JOHNSON.

NORMAN said he did not see any automobile in which SINGFIELD was traveling, but was merely reporting the information inasmuch as the description of SINGFIELD appears similar to that of the Unsub which appeared in the Commercial Appeal, and also because of his strange activities.

Capt. MOCK added that should a stowaway or alien arrive aboard one of the ship his office is also notified and a guard is immediately placed aboard the ship while it is in port. Mr. PETE SIMMONS, Venus Brothers Seafood, West Pier, stated they operate several shrimp boats which they own and no one by the name of ERIC STARVO GALT has ever been employed by them. Mr. C. W. CRAFT, owner of Dixie Seafood, West Pier, advised he operates the "Seawind" which is a shrimp boat. SA JAMES J. FILES called from Pascagoula to report that Captain WILLIAM POPE, JR., Pascagoula PD, had stopped a white Corvair convertible bearing Illinois 1968 license DG 3109 with two passengers because one of the passengers looked like a picture of JAMES EARL RAY. The person who closely resembled RAY was one JOSEPH CLAYTON MONTAGNE, a hitchhiker who exhibited Seaman's papers for identification. He was dressed in a white shirt and brown trousers. No further identification requested and his description is generally similar to that of RAY.

The owner was not asked to identify himself and consequently no name is available, however, the owner of the aforementioned license plate will reveal this individual's name. He claimed he was an unemployed musician and headed for New Orleans to obtain work.

Captain POPE thought no more about the matter until the announcement of the identification of RAY and the fact that he had a scar between his eyes. So did the hitchhiker. Captain POPE now feels he should have checked MONTAGNE more closely.

This information supplied Supervisor CARPENTER, New Orleans, this afternoon who indicated they would attempt to locate both these persons through the musician's and Longshoremen's unions, New Orleans.
